Doctor of Medicine

6-year MD Program

pums.edu.pl

English-language program in Poznan, Poland

ARE YOU READY TO EMBARK ON A REWARDING CAREER AS A PHYSICIAN?

JOIN US AND MAKE YOUR DREAMS COME TRUE

why study **Medicine** in Poznan?

Our 6-year Medicine program allows students from around the world to apply directly after completing secondary school, providing a streamlined path to becoming a qualified doctor.

The Medicine Program is an undergraduate entry medical course which leads high school or college graduates to a professional degree of Doctor of Medicine and opens doors to medical licensing on all continents.

As a graduate from a recognized institution in the European Union, you will have the flexibility to pursue medical careers across North America, Europe, Asia, and beyond.

Eligibility requirements

- High school diploma (or equivalent) qualifying for university admission in the country of issue
- Strong background in natural sciences and proficiency in English (proven by certificate or previous studies in English)
- Good grades in biology, chemistry, and math/physics (at least two subjects, including biology)
- Entrance exam in natural sciences and an interview

Exam locations: Poland, USA, Canada, UK, Ireland, Germany, Norway, UAE, India, Thailand, and more.

Application Deadline for Fall Intake: July 31

” THIS PROGRAM ACCEPTED ME STRAIGHT OUT OF HIGH SCHOOL, WHICH WAS IMPORTANT FOR ME BECAUSE I KNEW I WANTED TO BE A DOCTOR WHEN I GRADUATED FROM HIGH SCHOOL, AND, SO THROUGH THIS SCHOOL, I WAS ABLE TO FOCUS ON MEDICINE SPECIFICALLY RIGHT AWAY WITHOUT SPENDING EXTRA TIME IN AN UNDERGRADUATE PROGRAM.

Julia, Student

- ✔ Undergraduate entry leading to a Doctor of Medicine degree
- ✔ Objective examinations provided by the NBME
- ✔ Hands-on approach and contact with patients
- ✔ High success rates in licensing exams and employability - match rates consistently higher than international schools average
- ✔ Free Kaplan Basic Science Prep Course and unlimited access to Kaplan USMLE and INBDE resources
- ✔ Top level medical simulation
- ✔ Member of AAMC's VSLO and Erasmus+ student exchange program
- ✔ Free of charge counseling and psychological services
- ✔ Dormitory accommodation in walking distance from most campus facilities
- ✔ Voluntary work and research opportunities
- ✔ Academic sports teams in many disciplines
- ✔ Student loan eligibility for various programs (e.g., Sallie Mae, OSAP, CSN, Lånkassen, Bafög)
- ✔ A safe city with a vibrant student community
- ✔ International airport with easy access to most European capitals

HR EXCELLENCE IN RESEARCH
